Franklin County Prevention Coalition Update: October 2020

Positive Action Update

We have 47 enrolled at The Rain Teen Center for our Positive Action programming. We are doing a weekly Zoom call in addition to a weekly in person session. We had a fun trivia night last week with the kiddos.

Bridge Update

At Bridge Program, we have been working on managing ourselves well, as well as identifying and managing emotions. We had an amazing Friday Night Done Right last month at Bear Trace Golf Course driving range. Since October is full of events, we decided to do some different scheduling so as not to interfere with any Fall Festival events going on. Last week we had a family night, thanks to partners within the community who wanted to see Bridge families have a fun night at Granddaddy's Farm. It was a great time.

We also plan to have a fall fun night at Bridge at the end of the month where our kids will have a blast, playing games and enjoying themselves. We will be challenging families to send in photos of the kids in costumes, having a fun time with families as well, and they will be provided with a list of safe events taking place for Halloween. We welcome referrals in grades 3-8! Contact Lindsay Konrad for more information! (931) 636-5357

Drug Endangered Children

We are making great progress towards getting HWC in our schools. Jessie, Lindsay, and I met with Stanley Bean

to discuss HWC and get his approval. We also spoke with Sheri and Jene and they are very excited to get HWC.

Lindsay and I, with the help of Jessie, will be visiting police stations and talking to them about HWC. Tabatha and I attended the groundbreaking for Isaiah 117 House.

Trish Luna will be in Franklin County on Oct 26 for red ribbon week. She will be visiting 6 elementary schools and reading her book "Timbi Talks About Addiction."

Lifeline

Still providing recovery support for family and individuals across the region. Referring individual into treatment. Attending Zoom calls for community advisory boards across the region, still providing a recovery resource for law enforcement, courts, probation, ems, etc.

Tn Save A Life

We are continuing our trainings both virtual and in person. We are trying to do as much street outreach as possible so if anyone in the community is interested in partnering with us or allowing us to use their business as a setup spot please reach out to us.

FC Health Council Updates- October 2020

COVID- 19

Total cases in TN- 228, 744

FC County- 1,190 (124- active) (15 deaths)

Detailed case count information is available at 2pm:

<https://www.tn.gov/content/tn/health/cedep/ncov/data.html>

Testing

FC Health Department- Monday through Friday

9am-12:00pm - drive through only

Free of charge! For questions call 967-3826

*As school case liaison, continued to work on school COVID cases

Red Sand Project in Downtown Winchester

Rescheduled due to weather- youth students/ volunteers needed. Red Sand Project is a participatory artwork created by Molly Gochman that uses sidewalk interventions and earthwork installations to create opportunities for people to question, connect and take action against vulnerabilities that can lead to human trafficking and exploitation. For more info

<https://redsandproject.org/about/>

October is Breast Cancer Awareness Month

ladies we want to encourage you to visit your doctor for a yearly mammogram. If you know of someone that needs a mammogram but has no insurance, CHI Memorial can help. Call (423) 495-4040 or toll-free 866-591-2254 to schedule an appointment.

Fight Flu TN Event

November 19th at Franklin County High School from 3:45-6:45 p.m. Drive through clinic. Free of charge.

October is Child Health Month

Delivered items to BRIDGE kids. (my plate info, jump ropes, hand sanitizer, Health Department info).

<https://www.tn.gov/health/health-program-areas/mch/child-health-month-2020/child-healthmonth-activities1.html>

November-American Diabetes Month

USDA nutritional videos will be featured on our social

page for the month of November. Facebook page- Franklin County Health Council

*If you have any questions feel free to email me at any time at safia.leon-meza@tn.gov

Red Ribbon Week- downtown businesses are participating by going red for the week (displaying/ selling red items). There is a poster with a QR code will be posted on the windows. When scanned, it will take you to a website that will give you more information about red ribbon week. Take a picture and tag the prevention coalition to be entered into a contest for a special give away.

Appreciation luncheon- The FC Prevention Coalition will be partnering with STRHS to provide teachers/staff at all the schools with a free lunch as a token of appreciation for everything they do. Thank you notes are being collected to give to these teachers, please contact Jessie if interested.

Future meeting idea- Jessie brought the idea to purchase Owl Labs Meeting Owl Pro for future meetings, it's a device that turns 360 degrees that is made for virtual and in person meetings. This will be something that can provide safety to those who are not able to attend in person meetings. Cost for device is a little over 1,000 dollars. Different ideas will be taken in to consideration.

Campora- Christmas Angels- orientation has begun, please contact them for more information (931) 967-7825.

MRT- classes are being offered by the coalition, if you are interested please contact Jessie. Classes are Tuesdays 4-6pm for Middle and High School students.

Merry Little Christmas Downtown- December 11 & 12th contact Sue or Lauren to set up a craft table. Volunteers are needed! Schedule of activities will be posted soon!
